Hello and welcome to Week 1!

It is hard to believe that we are heading into the final term for 2017. It was lovely to receive a little bit of rain over the past couple of days and I hope everyone has had an enjoyable Spring break and is ready to return to school with renewed enthusiasm and excitement for what lies ahead. This term kicks off with a visit from our Local Ambulance Service tomorrow to celebrate Ambulance Week that occurred in the last week of Term 3. Week 2 sees our Years 7 & 8 students head to a Water for Life Workshop facilitated by Origin Energy as part of their Science studies. A reminder that our school attendance target is 95%. Students should continue to wear our school uniform with pride as per our policy, as we continue to work with our students each and every day as they develop into successful learners.

Highlights of Week 10:

- Year 10 students actively participating in Work Experience. It was great to hear excellent feedback from the employers regarding student commitment and enthusiasm.
- Students in Years 3—6 who attended the Sports Exchange with Surat. Students represented themselves and our school community to an outstanding standard. It was great to see some of our students take on some leadership in assisting with activities and encouraging their fellow students to participate and develop their skills. Well done students!
- Our Term 3 Celebration Activity was well organised and well supported by our students and was a great way to finish the term acknowledging all students who have made positive choices. Congratulations to all students who made it into the 200 signature draw and to Will B who was successful in being drawn out as our lucky winner.

Positive Behaviour for Learning Focus: Week 1

“Representing our school in the community”

This term sees our students out and about in our community with HPE lessons occurring at the Gym Hall and the Swimming Pool. Excursions, community events and end of year activities also require our students to be on show in the community. This week we will revise our school expectations of Respect, Responsibility and Reaching and have students identify how these are applied when participating in school activities in and around our community. The purpose of these explicit lessons is to ensure we set our students up for success when making decisions around their own actions.

2018 Prep Enrolments:

This week, Mrs Bradshaw and I have commenced meeting the parents of our prospective 2018 Prep students. If your child is eligible for Prep in 2018 and you have not made a time to enrol your child, I encourage you to do so as soon as possible. Commencing next Thursday, 12th October, Mrs Bradshaw will be running a transition program in our Prep room from 11am—12.30pm each week for the remainder of the year. The aim of this program is to support children in transitioning into school. Children will be exposed to our school routines and daily operations, and a wide range of learning experiences, to develop enthusiasm and excitement about coming to school. I look forward to seeing our prospective students next week.

School Uniform requirements for 2018:

As previously advertised in our newsletter, school uniform requirements for 2018 are required to be ordered at this time to ensure delivery for the commencement of the year. A reminder to parents of students in Year 6 who will be continuing with us for Year 7, that there is a change to the polo shirt required as well as a formal uniform that is required to be worn on Mondays and all formal occasions as directed by the Form Teachers. Please find the order form attached and I encourage you to contact Mrs Emma Fewtrell, the uniform convenor, for sizing assistance and questions. These orders will need to be sent by the end of this week.

Parent Teacher Interviews:

Over the holiday break, each family would have received a copy of the Term 3 Interim Report, indicating a Term 3 result for each subject and ratings for behaviour and effort. We will be offering interviews, please see information attached, for parents to meet with teachers to discuss these results. I encourage all parents to engage in this process to support their children in their learning journey with us.

Have a great week,

Rowie Price
Principal
This week we welcome Miss Jodi Perkins who is working in Year 3/4 with Mr Jamieson. She has commenced her Internship and will be with us for four weeks. We hope you enjoy your stay in Wandoan!

We also welcome back Miss Rosie Cranstoun, who will be working with Mrs Oakman and the Year 7/8 class as a Pre-Service Teacher for four weeks. We hope you also enjoy being back at Wandoan State School!

YEAR 7/8 GEOGRAPHY SURVEY

In Geography, the Year 7/8 students have been learning about factors that affect a place’s liveability, such as the availability of services and facilities, environmental quality, social connectedness, community identity, and perceptions of crime and safety. As a part of their assessment task, the students are to survey the community and examine the data to identify the factors affecting liveability in the Wandoan area.

So that students can get responses from a broad range of people, we have created an online survey where every response is anonymous. We are hoping to get as many opinions as possible, so that the students have a large range of data to work with.

To support the students with their assessment, please type https://pollev.com/surveys/zXKwZu0VJ or visit the office for a paper copy. The survey will be open until Saturday 7th of October.

TERM 3 - CELEBRATION DAY

200 ‘R STAR’ CLUB
Wandoan State School P-10 Parent/Teacher Interviews

Wandoan State School P-10 have arranged Parent/Teacher Interview afternoons for Term 4 Week 2 – Tuesday 10th and Thursday 12th October 2017. Bookings will open from 4th October and will close on 11th October.

We expect all teachers will meet with parents/carers of students they teach as it is important to work with teachers to achieve progress for your students. Teachers will share the learning goals that they have set for each student as well as provide an opportunity for you to have input into this process. The booking system can be used to meet with the Principal or the Dean of Students if you wish to speak with them.

Please take note that if a student in your care has an attendance percentage of less than 85% for Term 3, a request for you to meet with the Dean of Students may be made.

Parent/Carer Instructions for use of the Online Booking of Parent/Teacher Interviews

1. Type in the web address to go to the online booking page.

2. Type in your email address. If you do not have one, type your student’s school email address.

3. Enter your name and contact details.

4. Enter your child’s full name and select the year level from the drop down menu.

5. You can add another child’s name by clicking on the ‘Add Child’. Then click on the “Book Interviews” box to book your interviews.

6. Select all teachers you require to have interviews with by ticking the box.

7. Scroll and select an available time, (shaded green) that suits you. Press save.

8. You can select another child to book in.

9. After selecting all your interview bookings press save and then you can select the option of emailing or printing out your interview booking times.

To Community Partner

As you know, Santos is an Australian oil and gas company with a history of developing strong relationships with the communities in which we operate.

We are proud to support community groups like yours to ensure the benefits of our work flow to your local community. Over the past 10 years Santos has invested more than $200 million in local community sponsorships and programs.

As of 2018, Santos will be moving to an annual process for selecting partnerships. This process has commenced and all current and new partners will be asked to apply for support via our website https://www.santos.com/santos-in-the-community/. We value the partnership we have formed with you and we are inviting you to apply for our 2018 sponsorship.

A fair and rigorous process will be applied to the selection of our sponsorships and community partners, based on our three Guiding Principles and five Corporate Social Responsibility (CSR) pillars. We encourage you to read the selection criteria on our website prior to making your application. Applications that do not meet the criteria will not be successful.

Assessment Criteria

- **Guiding Principles** – Your sponsorships must align with our Guiding Principles which determine whether your proposal has a 'strategic fit' with the Santos brand and business. You can read more about our Guiding Principles [here](https://www.santos.com/santos-in-the-community/
- **CSR Pillars** - Corporate Social Responsibility 'pillars' define the key categories we will support. Sponsorships must align with one or more of the pillars. These pillars are Environment and Climate Change, Regional Communities, Training and Education, Healthy Living, and Indigenous. Read more about our pillars [here](https://www.santos.com/santos-in-the-community/

Santos is also looking for two national partnerships that benefit communities in our regions of operation. These include:

- A **national indigenous program** that helps achieve the outcomes in the Government's 'Close the Gap' report. This program must have a strong focus on the Northern Territory and opportunities in Queensland, South Australia, Western Australia and New South Wales.
- A **national partnership with primary and high school** focused education program that aims to get young people interested in STEM and consider the oil and gas industry as a career option.

How to apply

Applications opened **today** and will be open for five weeks.

To apply, visit [https://www.santos.com/santos-in-the-community/apply-for-sponsorship/](https://www.santos.com/santos-in-the-community/apply-for-sponsorship/) and follow the prompts. You will be asked for information on how you request aligns with our guiding principles and CSR pillars.

Applications close on 6 October 2017. Upon closing the application process, an assessment period of 2 – 8 weeks will take place. We will aim to inform applicants as soon as possible of the outcomes of this process.

If you have any queries about the application process please contact me directly on the below details.
