Hello and welcome to Week 10!
This week sees our Years 9 and 10 students participate in Work Experience in and around our community. We hope that this opportunity allows them to see what it is really like as a member of the workforce and to identify the knowledge and the skills they require to assist them to go into the workforce at the completion of their schooling. It is this real life experience that highlights the importance of what we do each and every day in preparing them for the workforce.

Our Years 3—6 students will travel to Surat tomorrow to participate in a Sports Exchange in the sports of Netball and Cricket, another opportunity provided where students can utilise the skills that they have developed in HPE lessons and Friday afternoon Sport.

Highlights of Week 9 & 10:
- Principal Award winners Caitlyn, Haylee and Sophie who demonstrated leadership by initiating Netball training at lunchtimes. Well done ladies!
- Students utilising last week’s PBL focus of taking time and space to calm themselves when faced with a difficult situation.
- A large percentage of our students continuing to focus on learning in the classroom and eagerly sharing their success in achieving their learning goals. Well done!
- Our attendance of our Years 8—10 students as we head into the final week of this term—it is pleasing to see that this area of the school is committed to maintaining a high level of attendance.

Every day COUNTS!
School success starts with attendance

PBL Celebration Day
A reminder that students need to continue to make positive choices right up until the last day of school, and meet our target of 100 ‘R’ stars, to be eligible as well as meet our data rule to participate. Please note that students who are not eligible to partake in our end of term celebration will be notified via letter prior to Friday.

PBL Focus this week: I show “Respect” by using polite language and correct tone.

This week we are focussing on students using polite language and an appropriate tone in their verbal communication with others, because how we communicate creates a positive and respectful atmosphere for learning. Everybody has the right to be around people who are happy, kind and sincere.

Progress Reports:
Interim Reports will be provided to families this week. This report will indicate how your student is tracking in each of their subjects as well as give a rating for their overall behaviour and effort for Term 3. Interviews with staff will be offered in Term 4 and information will be provided early in Term 4 regarding when these will occur.

Is your child eligible for Prep in 2018?
A reminder that we are taking enrolments for children born between 1/7/2012 and 30/6/2013 for Prep in 2018. We will be offering a strong transition program for the duration of Term 4, commencing in Week 2. This program will run each Thursday from 11am—12.30pm. Please contact administration to collect an enrolment package and to make an interview time with the Principal and 2018 Prep Teacher during the first week of Term 4. Please note that uniform orders are required by the end of this week so it is important that information is collected and these are filled out to ensure that your child has uniforms for the beginning of 2018.

School Watch:
Please keep watch over our school during the school holidays and phone 13 17 88 if you suspect any unusual activity.

Finally, I would like to wish all of our families a happy and safe holiday and look forward to our return on Tuesday 3rd October, with Monday the 2nd, being a public holiday.

Enjoy the break,

Is your child eligible for Prep in 2018?

For more information, please contact administration for an enrolment pack and to arrange an enrolment interview on 46 288 888.

Enrolment interviews will take place in Week 1, Term 4.

A strong transition program will occur during Term 4, 2017 to support you and your child in preparing to attend our school in 2018.

More information will be provided at your interview.

LOST PROPERTY

There are a number of items that are accumulating in the lost property area. All items will be donated to charity at the end of this week. Please ensure you have collected any items that belong to you.
The 7-10s have been learning about Orienteering in PE this term. Orienteering is a great individual and team sport that involves navigational skills to move through terrain at speed to various controls. Last week, the students had to think outside the box and solve riddles before receiving their next maps.
