Hello and welcome to Week 3!
Term 3 is usually a very busy term in our school calendar and this year will be no exception. We are already gathering momentum with Parent/Teacher Interviews underway last week and we look forward to a number of other events including: our school and the Miles and District Athletics Carnivals, Book and Science Weeks and our annual QMEA workshop with our Year 9 and 10 students. This week sees us welcome back Mrs Bock (aka Miss Goodwin) who returns from leave.

Highlights of Week 2:
- Our academic competition entrants, Kodey, Isaac, Buddy and Tye participating in the Digital Technologies ICAS Test. It is great to see you extending yourselves in these competitions.
- Students participating in Pre-Carnival Athletic events and the support and encouragement of students shown towards their peers.
- Improved attendance across most year levels—we are almost at our whole school target of 95% - see below. Well done to Years 1 and 9 with 100% this week. Special mention to Years 3 and 8 who met our 95% target also.

PBL Focus this week: Responsibility
“I accept consequences for my behaviour”
This week we are learning to understand that our actions can have positive and negative consequences. A consequence is an effect. All of our actions (spoken and physical) have consequences. Our aim is for students to be able to make choices that aim to create positive consequences rather than negative ones, and to take responsibility for their actions by accepting the consequences for their behaviour choices. Students have unpacked scenarios highlighting actions that can lead to positive and negative consequences this week.

Rules of Life
1. Actions have consequences, and may have a lasting impact on the rest of your life.
2. There is no easy, undo or edit button in life.
3. YOU are the only person responsible for your actions.
4. You are free to choose whatever action you want to take, but you are NOT free from the consequences.
5. Doing nothing is an action.

The West Tigers and Parramatta Eels launch the Stay Kind Cup—a message to all of our students and community.

Health-e-Regions Program:
Next week sees the recommencement of our specialised Speech and Occupational Therapy sessions for Semester Two, delivered through University of Queensland Rehabilitation Clinics via tele-health. This program has been funded by QGC with the provision of the technology (telehealth communication system, iPad and associated materials) required for students to access at school. This program will enable continuous sessions to be delivered over a 10 week period to assist our students in need. This is a fantastic opportunity for our students to receive specialised care in our own backyard.

Wandoan SS Parent/Teacher Interviews are an excellent opportunity for parent/guardians and teachers to meet and share explicit student feedback, which will assist students to achieve greater success. It also allows parents to communicate concerns with teachers in order to work together in a positive way, to achieve the best possible outcomes for students. Please take the time to make an appointment to see your class or subject teacher this week.

Please be advised that ALL visitors to the school, must report to Administration before proceeding around the school. This is a Department Regulation to ensure the safety of ALL who are on the school premises. After you report to the main office, you will be directed from there.

Have a great week.

**YEAR 5/6**

Hello Everyone,

We have had a FANTASTIC start to Term 3 in 5/6! This term we have been focusing on Poetry in our English lessons! We have been working very hard at analysing different forms of poetry such as: anthems, odes, free verse, lyrical and acrostic poems. We have especially been examining different poetic devices and how they impact on the poem. We have also made our own poems which was great fun! In Maths we are learning about lots of different concepts such as: mapping and coordinates, percentages and discounts, multiplication, financial planning and prime factors. In Technology, we are learning about digital systems and their many functions and uses in our world. We will work towards creating our very own mazes using digital technology! We are very excited about this! We are looking forward to continuing to work VERY HARD in our class for the remainder of the term!

Miss Chapman

**YEAR 7/8 HOME ECONOMICS**

Last week proved to be more challenging with the cooking element involved. We made vegetable kebabs. This week we are making pizzas. Students can bring toppings of their choice.

IMPORTANT TUCKSHOP INFORMATION

Attention: ALL PARENTS

Due to the low number of families volunteering to help out with tuckshop each term the P&C have decided to change the way that we run it.

After talking with other schools and committees it seems the only way to have the tuckshop run without relying on the same few families, is to allocate a day to each and every family that has a child/children at the school.

We are aware that most people work. That is why we have decided it is only fair if every family helps out, not just a few.

Please be aware that every child that attends Wandoan State School benefits from the profits of the Tuckshop through the P&C.

The way this will work is:

- Each family will have a day allocated to them along with 2 other families.
- Your family is to provide 1 worker for the day.
- If you are unable to do your day it will be up to you to find a replacement or swap with another family.

The tuckshop really only requires 2 people to run it. But to cover for last minute family matters and possible sickness we have placed 3 families on each day. Please refer page 8 for the roster. This will eliminate the chance of having only one person left doing it themselves or as in the past having to chase someone up Friday morning to cover. It will also be beneficial for those who have never done tuckshop to have a few others there to help teach them how tuckshop is done.

The P&C would like to thank all those families that have volunteered to do tuckshop in the first 2 terms. It has kept the tuckshop open.

Thank you to Kat Donohoe who was kind enough to run the tuckshop last week by herself at short notice.

All tuckshop workers will go into the draw to win a $50.00 voucher at the end of the term.

If you are unable to do your day and have swapped with someone else please let Kelly Henry know so that she can make changes to the roster to ensure all days are covered. She can be contacted on 0429722851.
