**Newsletter Email Address**

Should you wish to have a community notice advertised or wish to acknowledge the achievements of a Wandoan State School student, please email your notice to [admin@wandoanss.eq.edu.au](mailto:admin@wandoanss.eq.edu.au) before **Monday 12pm**.
Welcome to Week 3!
A great start to this week with our school playing host to all schools in the Miles Cluster on Monday where all staff, including teacher aides and administration officers engaged in professional learning. Teachers engaged in the moderation of student work samples, NAPLAN Online, STEM, diverse learning and the development of learning intentions and success criteria for units of work. Our teacher aides were upskilled in the 6 stages of the teaching of reading as well as diverse learners and Microsoft Office tips and shortcuts. This learning will value add to our current school processes and assist us in moving forward into 2019. Our aim is to continually review what we do in order to improve the learning outcomes of the students in our care.

It was great to return from a week on camp with our 7/8 students to hear stories of how students were successful last week in my absence. Students made comment in regards to successful completion and results in Maths assessment and Reading groups. On assembly, the 7/8 students shared with the rest of the student body their favourite activity on camp, as well as what they had learnt that they were going to bring back into their daily routines at school. Keep an eye out next week for the student reports on this camp.

Attendance
Research confirms a strong link between attendance and student outcomes.

While some student absences are unavoidable and understandable due to illness and the like, or enforced through school disciplinary absences, many are not. Please ensure that you are supporting your child’s learning by sending them to school everyday so that they do not miss learning instruction and opportunities.

Teachers will now be availing themselves at lunchtimes for students to complete work that has been missed as well as asking students to complete work at home.

We want to ensure that students receive the best possible outcomes they can as we head towards the end of 2018.

Congratulations to Years 6, 7 and 8 who achieved a fantastic 100% last week!

PBL Focus:
“I take pride in my work.”
Students have reviewed our bookwork policy this week as well as identified other ways in which they can take pride in their work. Please see our expectations for each year level later in this newsletter. Presentation and legibility are key skills that students will require into the future. Students will receive double signatures this week for demonstrating this focus.

Prep Transition Program
Our Prep Transition Program commenced last week and we hope to see all of our prospective Prep students for 2019 attend tomorrow to get a real taste of school life. A reminder children require a hat, water bottle and healthy lunch and attend from 11.15am—12.15pm. I look forward to joining them this week.

Have a great week,

Rowie Price
Principal
Students of the Week

PRIMARY

Congratulations Cooringa!

EVERY SCHOOL DAY COUNTS

Wandoan S. S.
BookFair is on again!
29th Oct—2nd Nov
Where - School library.
Before school, lunchtimes and after school.

Cash/cheque only.

All sales provide new books for student reading and enjoyment.
PHOTOGRAPHY WORKSHOP

Many thanks to Meegan Bradshaw and Lisa Kleidon who shared their enthusiasm for photography with our students yesterday afternoon. Their Powerpoint presentation had lots of useful photo composition tips. The students then got to try things out for themselves with the camera and the Ipads. They especially enjoyed setting up their own shots with the great range of props Lisa and Meegan provided.

In 2019 the Wandoan Photo Challenge will have a Young Photographer section as well as an Open section so it is good to see the young locals getting keen with the camera.

Mrs Helen Golden
For the first two weeks of this term, the Year 2/3 class have worked hard in Maths as they engaged in measurement investigations. The Year 2’s have been learning how to use informal units (such as unifix blocks, cushions and paperclips) to measure and compare capacity, length, and area. The Year 3’s have investigated measuring and comparing capacity, length and mass using formal units (millimetres, litres, metres, centimetres, kilograms and grams). This week, the Year 2/3 class are beginning a new unit where they will describe and draw 2D and 3D shapes.

In Science, we are getting excited to be learning more about Earth’s rotation, and identifying how Earth’s resources are used and how they can be conserved.

During English this term, the students are learning to read, understand and write their own informative texts.

In The Arts, students are learning about the many aspects of Drama and will be engaging with, and re-enacting their memories as small role-plays to the class.

Miss Cranstoun
PBL

Behaviour Data Cycle 9

This Data cycle incorporates Term 3 Week 9 through to Term 4 Week 2. Our PBL data tracking of whole school behaviour ever so slightly dropped to 98.80% of our students in the green zone for major behaviours. Minor behaviour stayed steady with 98.57% of our students achieving the green zone.

This week will see the explicit teaching focused on “taking pride in my work”. We have discussed the expectations around the presentation of student workbooks. We then discussed how and what it looks like in a number of different workbooks, such as English and Math. We all completed activities to confirm and apply our prior and new knowledge about Wandoan State School bookwork expectations.

Future PBL focuses include showing sportsmanship and acknowledging our teammates strengths and weaknesses, which will see students reflecting on the success of the athletes who participated in the Invictus Games.

Congratulations to all students on a great start to our fourth and final term for 2018 at Wandoan State School.

Parents are sometimes surprised when their child begins school to hear that their child has speech or language delays. Our school is fortunate to have access to a number of speech and language services that can quickly address any issues. This week, I thought I would share some of the milestone checklists, designed by Speech Pathology Australia, for you to consider and for monitoring your child’s early development.

Kind Regards,
Ms Zackrisen

INCLUSIVE INSIGHTS
YEAR 7/8 CAMP—FAIRBAIRN DAM
Plant sale!

House plants
  - Succulents $5
  - Flowers $5
  - Any non-edible plant $5

Herbs
  - Small $6
  - Medium $8
  - Large $10

Vegetable
  - Seedlings $1 per seedling
  - Established plant $8 per plant

Fruit
  - Strawberries $8 per plant

Students have asked that pots be return for reuse!

Please Note: Produce is still growing!
# Wandoan State School P – 10 BOOKWORK EXPECTATIONS:

*All Books will be neat, legible and free of scribble and graffiti*
