Hello and welcome to Week 4!
What a fabulous week at Wandoan State School. It was fantastic to recognise students this week for both academic and sporting achievements. It is wonderful to see our school community working together to promote student success. Thank you to our parents for your support of our students and to the volunteers who worked in the canteen to keep our students, staff and parents hydrated and fed last Friday at Athletics. This week sees myself and other members of the leadership team out of the school attending a “Leading Learning” workshop facilitated by renowned researcher Dr Lyn Sharratt. This workshop will focus on 3 parameters:

1. Shared Beliefs and Understandings.

This work will frame how I and other leaders in our school drive school improvement and the improved learning outcomes of our students. Mrs Judy Hoonhout will be the officer in charge in my absence.

Highlights of Week 3:

- Outstanding attendance (almost 100%), and participation at our Athletics Carnival. This really demonstrates students’ commitment and pride in their teams and our school.
- Congratulations to all students who received Age Champion, Encouragement and Best Dressed Awards at Athletics. Well done Cherwondah on being our winning house and to Juandah for your success in the march past.
- Our academic Science competition entrants, Isaac, Buddy and Grace. Great to see you extending yourselves in these competitions and receiving fantastic results.
- Principal Award Winners Taris M and Jake H. I was super impressed with the initiative they showed in assisting with events when not competing on Athletics day. Great sportsmanship was also demonstrated by these two all day.

Attendance: Congratulations to our Preps and Year 5 students for your 100% attendance last week. I set the challenge of our whole school reaching our target of 95% last week on parade and we have made it. Well done to students, parents and caregivers for providing the support which allowed us to reach our goal. Can we do it two weeks in a row?

**SPORTING ACHIEVEMENTS**

We are so proud of these fabulous students!

Hunter L competed at State Soccer Championships and received both the South West Players’ Player Award against Capricornia and the Managers’ Award for the Carnival!

Claudia E competed at Zone 4 Jumping Equitation and Show Jumping on Wilbur. She received equal second and a sixth to achieve an overall third place. In the Show Jumping she received equal first overall with two other riders but third on a count back.

Shakayla H and Ashley H competed at the Queensland State Touch Championships in Rockhampton. They both had a great experience, learnt lots and made new friends. Ashley also scored a couple of tries.

**FLANNELETTE DONATIONS REQUIRED**

We are looking for donations of flannelette to sew hearts like the one pictured below. The hearts are offered to parents when their newborn baby is in critical care to put against their chest for a few hours. The hearts are then placed in with their baby, which promotes bonding. All donations of flannelette will be gratefully accepted by Mrs Oakman.
Wandoan State School P-10 have arranged a second round of Parent/Teacher Interview afternoons for Term 3 Week 5 – Wednesday 9th and Thursday 10th August. Bookings are now open.

We expect all teachers will meet with parents/carers of students they teach as it is important to work with teachers to achieve progress for your students. Teachers will share the learning goals that they have set for each student as well as provide an opportunity for you to have input into this process. The booking system can be used to meet with the Principal or the Dean of Students if you wish to speak with them.

Please take note that if a student in your care has an attendance percentage of less than 85% for Semester 1, a request for you to meet with the Dean of Students may be made.

Parent/Carer Instructions for use of the Online Booking of Parent/Teacher Interviews

1. Type in the web address to go to the online booking page.

Attention: ALL PARENTS

Due to the low number of families volunteering to help out with tuckshop each term, the P&C have decided to change the way that we run it.

After talking with other schools and committees it seems the only way to have the tuckshop run without relying on the same few families, is to allocate a day to each and every family that has a child/children at the school.

We are aware that most people work. That is why we have decided it is only fair if every family helps out, not just a few.

Please be aware that every child that attends Wandoan State School benefits from the profits of the Tuckshop through the P&C.

The way this will work is:

- Each family will have a day allocated to them along with 2 other families.
- Your family is to provide 1 worker for the day.
- If you are unable to do your day it will be up to you to find a replacement or swap with another family.

The tuckshop really only requires 2 people to run it. But to cover for last minute family matters and possible sickness we have placed 3 families on each day. Please refer Page 10 for the roster. This will eliminate the chance of having only one person left doing it themselves or as in the past having to chase someone up Friday morning to cover. It will also be beneficial for those who have never done tuckshop to have a few others there to help teach them how tuckshop is done.

The P&C would like to thank all those families who volunteered to do tuckshop in the first 2 terms. It has kept the tuckshop open.

All tuckshop workers will go into the draw to win a $50.00 voucher at the end of the term.

If you are unable to do your day and have swapped with someone else please let Kelly Henry know so that she can make changes to the roster to ensure all days are covered. She can be contacted on 0429722851.
