**Next P&C Meeting:**  
Uniform Convenor: Thursday, 9th March, 5:30pm @ Bowls Club  
Emma Fewtrell
Hello and welcome to Week 5!

Last week was a very busy end to the week with Josh Arnold here to film our clip to our school song. Firstly, a huge thank you to our Positive Culture team who facilitated the event and the many other staff and community representatives who assisted in the organisation and implementation of this event. Josh commented that it was the most organised a school has been since starting his journey with Small Town Culture. Well Done!

This week sees us farewell Miss Jessica Bradshaw who has worked as a teacher aide for most part of two years. Jess is leaving to commence study in Medical Imaging. We value what you have contributed to our school Jess, and wish you the very best with your future endeavours.

Miss Hazard, Miss Stoeckert and Mrs Bradshaw will be attending professional development, Wednesday and Thursday this week, where the focus will be on developing successful writers. Another group of staff will attend later this term.

Highlights of Week 4:

* Well done to Miss Bishop and her 5/6 class who were very impressive in their writing lesson last week. The Miles Cluster Principals observed while they were here for our meeting and commented on how engaged the students were, the quality of the instruction and the understanding that students demonstrated around what they had learnt.
* Miss Maritan and her 1/2 students discussing the weather and the seasons. I think this weather is making it difficult for them!
* Staff and student leaders who supported our party at the Silos through the serving of food and beverages.
* Student Councillors being presented with their leadership badges by Mayor, Paul McVeigh.

Attendance: 92.3%. A significant improvement in our overall attendance last week, congratulations to the following year levels who have all exceeded our target of 95%.

- Prep: 97.8%
- Year 1: 100%
- Year 4: 96.7%
- Year 5: 96.7%
- Year 7: 96%

PBL Focus: Accepting consequences of own behaviour

This week we are unpacking with our students the need to accept the consequences of the choices that we make at school. What we are looking for with our students is that they understand and can identify the four steps in accepting responsibility for their behaviour. This is because we want them to see that mistakes are learning opportunities and that we can use this learning to change our actions and become a better version of ourselves.

Steps in Accepting Responsibility

1) State my role in problem event/incident
2) Identify appropriate behaviour
3) Identify what to do next time
4) Accept consequences

Brisbane Roar Visit:

Tomorrow sees our students participate in Soccer Coaching by the Brisbane Roar. Each group of students will participate in two sessions scheduled over the next two days.

Principal absence—Wednesday—Friday Next week!

I will be attending the state-wide Principal’s conference next week, where I will engage in a number of professional conversations around current issues facing State Schools in 2017. I hope to get a lot out of attending this and look forward to sharing the key messages with our school community in the coming weeks. Miss Jill Hazard and Mrs Louise Oakman will be the officers in charge during my absence.

Have a great week,

Rowie Price
Principal
