Hello and welcome to Week 7!
This week sees us continue to expose our students to a multiple of learning opportunities and experiences with Book Week and Road Safety Week activities, as well as Science, Industry and Water Safety workshops provided by visitors to our school.

Last week it was wonderful to engage with students reviewing their NAPLAN data and learning goals and celebrate with them the success that each child has achieved through their identified actions. Principal Award Winners Hunter and Ely were absolutely ecstatic with how they had improved since last completing the tests in Year 5 and excitedly shared how much they had exceeded their learning goals. These two optimised our vision of developing successful learners.

The education of our students is a shared responsibility, benefiting all students, our society and economy as a whole. Therefore, parents and the broader community have a reciprocal responsibility to engage with schools, in a positive and supportive way.

Creating Respectful School Communities

The Queensland Government is committed to tackling the growing issue of violent and abusive behaviour across school communities. The ‘Respect our staff, respect our school’ campaign aims to create safer and more respectful communities across Queensland State Schools.

We all have different beliefs, expectations and experiences, so there are inevitably going to be times where conflicts or disagreements occur in schools.

How we handle those conflicts can make a significant difference to the learning and development of our students and the positive environments we aim to foster.

The safety of our students and staff is the number one priority and we can all play our part in ensuring that our schools are safe and respectful places to be. Violent or abusive behaviour will not be tolerated in our schools. It's not just a courtesy. It's the law.

PBL Focus: I show Responsibility by sharing play areas

This week we are focussing on identifying and understanding how sharing play areas affects both our feelings and the feelings of others. This is because we all have a responsibility to share play areas, (so that everyone is able to feel happy, safe and included in our school community).

Students have discussed and unpacked a number of scenarios where they have identified the actions that they can each take when in the playground. Students will be rewarded with bonus signatures when caught demonstrating these this week.

Attendance: School Target—95%

Congratulations Years 1 and 3 who exceeded our target last week. A reminder to contact the school when your child is absent citing the reason, so that our data is accurate.

I will be out of the school next week participating in a school review as a Peer Reviewer. Miss Jillian Hazard will be the officer in charge during my absence.

Have a great week.

Welcome back Haylee D and Jake H who competed at the State Touch Carnival in Ipswich last week (refer front page). Haylee’s team were awarded the North West/South West Shield after defeating the North West side. Brayden Doherty was also given the opportunity to be an Official Student Referee throughout the carnival as well. He received terrific feedback from the carnival convenors who would like to see him again next year!

Measurement Madness
In Year 1/2

During the first few weeks of Maths this term, the Year 1/2 students investigated length, area and capacity.

The students had a ball measuring the length of their peer’s outlines and experimenting in the sand pit to find out how much sand different items could hold.

As part of Book Week, some of our staff wanted to show their book shelves. Guess who owns which one!!!

To enter the competition, submit your guesses in writing to Mrs Bock, with your name on it before 3pm Friday. One student who correctly guesses all four will win a prize!

A huge thank you to those staff who participated and supplied pictures of where our beloved books live at home.

Pop Up Country is a unique shopping experience that is waiting for you in Wandoan on Wednesday 23/08/17 from 3.00pm to 7.00pm.

The Pop Up Country Shop gives rural businesses the opportunity to sell their amazing items and to meet the locals and for the locals to have regional businesses on their door step, just like a normal store. The only difference it that it’s ONLY open for ONE afternoon!

You can shop unique items and catch up with friends while sipping on a glass of champagne and indulging in a cheese and fruit platter.

The Pop Up Shop is created for you with the help of many amazing businesses with the idea to revitalise an empty rural shop and support rural entrepreneurs. Don’t miss out on this event! Invite your friends and come along!

Thank you to our sponsor WCCI!

DALBY CODE CAMP
2017

18 & 19 Sept | Bunya Campus
463 Bunya Highway, Dalby

Monday 18th & Tuesday 19th of September | 463 Bunya Highway, Dalby | $400 per attendee

These September School Holidays, code your own iPhone/Android game in our School Holiday Coding Camp right here in Dalby!

In this two day workshop students will learn how to code, create their own game and come home with their very own iPhone/Android game to download and share with their friends.

Students will use drag and drop coding and learn how to create scenes, characters, animate them, create enemies, obstacles, coins, scoring systems, and so much more - all while having a great time making friends at Camp!

Students will be provided with software, computers and everything else needed for this workshop.

As camp, students won’t only learn how to code and create games – Code Space Education’s camps also teach problem solving & entrepreneurial thinking as well as a range of subjects from physics to art to maths and engineering.

*Participants must be in years 9-12 to participate in this camp. Places are strictly limited and bookings are required. $400 fee includes overnight stay, catering, learning program, entertainment & games.

To find out more or book your place at camp visit WWW.DALBYCHAMBER.COM.AU/EVENTS
