Fax: 07 4628 8800
Email: the.principal@wandoanss.eq.edu.au
Hello and welcome to Week 8!
It was another busy week at Wandoan State School last week with students dressing up for book week, Sargent Brad Fewtrell working with our students to promote Road Safety and our 9/10 students participating in a Science and Engineering workshop facilitated by the Queensland Mines and Energy Academy and Industry representatives. It is fantastic for our students to have access to quality instruction and experts within the Science and Engineering fields. Primary students also participated in Bush to Beach Program that was promoting water safety.

We also look forward to hosting Under 8’s Day on Thursday, where children under the age of 8 from Wandoan, Grosmont and Guluguba will participate in a fun-filled morning. Please see flyer later in the newsletter for more details on this event.

Highlights from Week 7

- Super Speller Award recipients.
- ICAS Writing results! Well done Haylee D, Isaac O, Buddy P, Lacey B, Tye M. It is great to see our students reaching to extend themselves.
- Instrumental Music awards—It’s wonderful that these students are participating in extra curricular activities offered at our school.

Creating respectful school communities

We all have different beliefs, expectations and experiences, so there are inevitably going to be times where conflicts or disagreements occur in schools.

How we handle those conflicts can make a significant difference to the learning and development of our students and the positive environments we aim to foster.

The safety of our students and staff is the number one priority and we can all play our part in ensuring that our schools are safe and respectful places to be. Violent or abusive behaviour will not be tolerated in our schools. It's not just a courtesy. It's the law.

Parent Suggestion | Highlight good sportsmanship in a real world environment.
Example:

After loosing the State of Origin Series in 2017, Boyd Cordner gave a very inspirational speech, displaying his exceptional sportsmanship. He congratulated Johnathan Thurston on his career and he spoke highly of the Queensland performance whilst still acknowledging his own team mates.

Have a great week,

Jillian Hazard
Head of Curriculum/Support Teacher: Literacy and Numeracy

SPORTS NEWS
Congratulations to Madiyn G and Hunter L who participated in the State Girls Rugby League Championships over the weekend.

Well done to Ben P and Jake H who attended the Miles and District Cricket Trials on Friday in Miles. Jake was successful in gaining selection into the team.

Elli Z, Paige M and Maddison S competed at the Dalby Gymnastics Competition on the weekend (refer Page 11 for further details). Well done girls!

Tye M, Matthew W and Tristan Z were successful in Roma against St Johns on Sunday in the Western Downs Open Weighted 10’s team, defeating them 18-12. They play in the Shane Webke Cup in Brisbane this weekend. Good luck boys!

- Dodgeball (with a twist)
- Lacrosse (with a twist)
- Capture the flag
- Kickit

Students must meet data rule to attend PBL Celebration Day.

Sausage Sizzle and Popper provided for lunch.
YEAR 7/8

Our Literacy this term is focusing around “Black Snake, The Daring of Ned Kelly,” by Carole Wilkinson. At present we are individually constructing, an imaginative recount as if we were actually at an event in the story. During Book Week many of us dressed as part of the historical Australian bushranging tale. Characters included Ned himself, his best dressed brother, Dan, mother Ellen who actually remarried during the story, their sister Kate, Constable Hall and other community members. Mrs Oakman

During each Friday afternoon before sport, our class read to the Prep students.
Last week Qld Surf Lifesaving visited us to discuss the dangers associated with the surf and how to avoid them.

Students and teachers from Wandoan, Miles and Taroom attended a QMEA (Queensland Minerals And Energy Academy) workshop at Wandoan State School last Tuesday. Through this school-industry partnership workshop, the students/teachers were offered a range of experiences to broaden their knowledge of the minerals and energy sector. It also gave an opportunity to access industry professionals who were available to answer questions the students had. Pictured are our students with their participation certificates.

UNIFORM CONVENOR - EMMA FEWTRELL 0413 867 098
On Sunday 27th August we attended the Dalby PCYC Winter Gymnastics competition. We had girls competing in Level 2 and Level 3. The Level 2 girls (above) were judged on competency and passed with one Bronze award and the rest attaining Silver overall. A great result as for most of the girls it was their first ever competition! Maddison Symes (below) competed in Level 3 which is actually scored so there are places awarded. Maddi did the club proud by gaining 2nd on vault, 2nd on uneven parallel bars, 4th on floor and 5th on beam and achieving 2nd Overall for the whole competition! Our little club did well against such clubs as Glennie, Chinchilla, Warwick, Caboolture and Dalby. A big thank you to our Coach Helen Devlin and our coaches in training Chrissy Blackley and Amber Bock for their continued efforts throughout the year in coaching the kids. The smiles on Sunday were hopefully worth the frustration and hard work!
Wandoan Amateur Swimming Club AGM
Tuesday 5th September 2017
3.15pm
Juandah Hotel

New committee positions will be up for grabs so it would be great to see everyone there so we can plan the year ahead!

Please email Club Secretary, Jenna Symes at jennasymes@hotmail.com to advise whether or not your child is swimming this season. If they are not Jenna needs to cross them off the list.

DALBY CODE CAMP 2017

Monday 18th & Tuesday 19th of September | 483 Bunya Highway, Dalby | $500 per attracts

These September School Holidays, code your own iPhone/Android game in our School Holiday Coding Camp right here in Dalby!

In this two day workshop students will learn how to code, create their own game and come home with their very own iPhone/Android game to download and share with their friends.

Students will use drag-and-drop coding and learn how to create scenes, characters, animate them, create enemies, actions, codes, scoring systems, doors and so much more... whilst having a great time making friends at Camp!

Students will be provided with software, computers and everything else needed for this workshop.

At camp, students won’t only learn how to code and create games – Code Space Education’s camps also teach problem solving & entrepreneurial thinking as well as a range of subjects from physics to art to maths and engineering.

*Participants must be in years 9-12 to participate in this camp. Places are strictly limited and bookings are required. $40 includes overnight stay, catering, lesson program, entertainment & games.

To find out more or book your place at camp, please visit www.dalbychamber.com.au/events

DAY 1

8:30am: Registration
9:00am: Workshop starts

• Rules, safety and procedures
• Getting into coding teams
• Team building activities
• Cartesian plane
• How to create a scene
• How to use & modify tiles

10:00am: Morning Tea
11:15am: Workshop resumes

• How to use sprites
• How to use sound
• What an actor is
• How to create actors
• How to animate players
• How to create movement
• Introduction to basic physics
• How to add gravity
• Configuring player weight
• How to create cards
• Coding cards

5:00pm: Dinner
6:00pm: Workshop resumes

• Creating custom blocks
• Developing code functions
• Simplifying code

10:45am: Morning Tea
11:15am: Workshop resumes

• east and west screen
• Instruction screens

12:30pm: Lunch Break

1:00pm: Lunch ends
• Finish coding
• Touch Controls
• How to create opaque
• Coding states
• Time to develop games

4:00pm: Workshop resumes

• Afternoon Tea

5:00pm: Workshop resumes

• Finish coding
• Touch Controls

DAY 2

3:00pm: Outdoor Activities
6:00pm: Free Time
8:00pm: Dinner
7:00pm: Movie

3:00pm: Afternoon Tea & Clean-up

3:30pm: Pick-up

*Changes to the learning program will be made depending on the speed of the students and how well they work in their groups. This program is guided to the content of the camp.
**Fun Palaces**

**EVERYONE AN ARTIST**
**EVERYONE A SCIENTIST**

A day to discover something new. Experience awesome science, art, robotics and more. Dozens of hands-on interactive activities for the whole family!
